Exhibitor Registration

The exhibition area will feature table clusters, each comprising three tables measuring 120 x 60 cm. Please note:

- Storage space for transport crates and bags is available; please do not store any items under the exhibition tables. Your models should be presented in the best possible way.
- Club advertising, presentation style and information about models and their builders may be displayed as you wish on the table clusters in the exhibition area, provided they do not hang over the edges of the tables (e.g. no tablecloths).
